1901 OAEE Grader
Available Positions

**General Grader Eligibility Requirements**

- Must be a current M.Eng., M.S., or Ph.D. UMD student
- Must NOT be enrolled in the 1901 course you are applying to support in that semester
- Must be able to work up to 20 hours per week (i.e. can not hold another UMD position unless the total hours equate to less than 20)
- Must be in good academic standing (i.e. have a cumulative GPA of 3.0 or higher)

*If you do not meet all of the requirements above, please do not apply for a Grader position.*

*Please be aware that Teaching Assistant positions may also be available.*

**General Grader Position Information**

This position is for the Spring 2019 semester only.

This position is compensated at $16.65 per hour and is an hourly position only. This position does not have any tuition remission or benefits.

Graders will provide up to 20 hours of service per week and support the instruction of a course through such duties as grading and managing Canvas.

**1901 OAEE Grader Positions Available**

Grader positions will be added as they become available and deleted as they become filled.

*Please note that most Grader positions for Spring 2019 will become available from late November through mid-January.*
