1905 and 1908 OAEE Grader Available Positions

General Grader Eligibility Requirements
- Must be a current M.Eng., M.S., or Ph.D. UMD student
- Must NOT be enrolled in the 1905 or 1908 course you are applying to support in that semester
- Must be able to work up to 20 hours per week (i.e. can not hold another UMD position unless the total hours equate to less than 20)
- Must be in good academic standing (i.e. have a cumulative GPA of 3.0 or higher)

If you do not meet all of the requirements above, please do not apply for a Grader position. Please be aware that Teaching Assistant positions may also be available.

General Grader Position Information
This position is for the Summer or Fall 2019 semester only.

This position is compensated at $16.65 per hour and is an hourly position only. This position does not have any tuition remission or benefits.

Graders will provide up to 20 hours of service per week and support the instruction of a course through such duties as grading and managing Canvas.

1905 OAEE Grader Positions Available
Grader positions will be added as they become available and deleted as they become filled.

Please note that most Grader positions for Summer 2019 will become available from now through early May.

1908 OAEE Grader Positions Available
Grader positions will be added as they become available and deleted as they become filled.

Please note that most Grader positions for Fall 2019 will become available from late May through mid-July.
