# 1908 OAEE Teaching Assistantship (TA) Available Positions

## General TA Eligibility Requirements
- Must be a current M.Eng., M.S., or Ph.D. UMD student
- Must NOT be enrolled in the 1908 course you are applying to support in that semester
- Must be able to work 20 hours per week (i.e. can not hold another UMD position)
- Must be in good academic standing (i.e. have a cumulative GPA of 3.0 or higher)
- Must hold a permanent Social Security Card and be authorized and eligible to work in the United States
- Must have successfully met the UMD English-Speaking Requirement in one of the following ways:
  - must have completed entire education in the U.S., United Kingdom, Ireland, English-speaking Canada, Australia, New Zealand, Anglophone Africa, or the Commonwealth Caribbean
  - must have achieved a score of 26 or higher on the speaking sub-section of the TOEFL
  - must have achieved a score of 8.0 or higher on the speaking sub-section of the IELTS
  - must have passed the UMD ITA Evaluation in a previous semester

If you do not meet all of the requirements above, please do not apply for a TA position. Please be aware that hourly Grader positions may also be available.

## General TA Position Information
This position is for the Fall 2019 semester only. The salary Step level will be determined based on the TAs academic status at the point of the contract creation. The position supports up to 10 credits of tuition remission at the in-state tuition level. Please note that fees and differential tuition are not covered by the remission and will remain the responsibility of the student.

TAs will provide 20 hours of service per week and support the instruction of a course through such duties as updating course materials, grading, holding office hours, managing Canvas, lecturing or other duties as assigned by the instructor at the point of hire.

Please see further information on remission and TA salaries here: [https://academiccatalog.umd.edu/graduate/policies/policies-graduate-assistantships/](https://academiccatalog.umd.edu/graduate/policies/policies-graduate-assistantships/)
1908 OAEE TA Positions Available
TA positions will be added as they become available and deleted as they become filled.

Please note that most Cyber and Robotics TA positions will be posted between now and May. Other TA positions will likely become available from late May through mid-July.
